April 2017

**November 2 – 5, 2017 – 12th Annual TIFF
 Activism: Making Change**

Dear Film Fan,

This is the year in which the presentation of movies that matter is more important than ever! The arts are under attack, as are public education, a woman’s right to choose, the environment, minority rights – the very fabric of our democracy. Voices must be heard; we cannot allow them to be silenced!

Once again, the Teaneck International Film Festival will present thought-provoking films that take a hard look at vital issues - films that inspire discussion, provoke debate, and lead to action. We need YOU to help us continue as a vital, unifying cultural force. TIFF, *the film festival with a social conscience*, is made possible by your support and involvement.

Please make a tax deductible donation using the form below. Those who contribute **\$50** or more will receive two invitations to our Saturday night Centerpiece Event with an outstanding film and talkback, and fabulous food and drink.

Visit our website (www.teaneckfilmfestival.org) to learn more about the festival and business sponsorships. Sign on to TIFF – be generous – together we can make a difference!

Sincerely,

Jeremy Lentz
